

GALVANOX

POWERdock

USER GUIDE

Declutter and simplify everyday charging with the sleek

Galvanox Wired POWERdock.

Place any iPhone on the POWERdock, adjust the port height and enjoy rapid charging without fussing with wires or plugs.

THE POWERdock CHARGES TWO TIMES FASTER
THAN A WIRELESS CHARGING DOCK

GALVANOX

POWER UP

Connect the USB-C power cable to a power source, for optimal charging speeds, use a PD adapter with a minimum output of 18w.

PLACEMENT

The under side of the POWERdock features eXtraGrip adhesive that is washable and reusable, this will help keep your POWERdock in place and allow you to dock and undock your iPhone using one hand.

To use the eXtraGrip adhesive, remove the backing from the under side and place the POWERdock on a clean level surface.

CONNECTION

The POWERdock connects to your iPhone with an adjustable charging port, this enables proper charging whether you are using your iPhone with or without a case.

To properly adjust the charging port

- Fully extending the charging port by rotating the knob to the left until it does not rotate anymore.

- Place your iPhone on the POWERdock so that the port is fully inserted into your iPhone

- Retract the charging port by rotating the knob to the right until your iPhone rests on the POWERdock.

Once your iPhone is place on the POWERdock, charging will begin automatically

SAFETY INFORMATION

Do not expose to excessive heat, water or moisture.

Do not drop or disassemble.

When cleaning, use a soft cloth, if necessary dampened with a minimum amount of water or diluted mild soap.

Do not use any cleaning agents containing alcohol, ammonia, benzene, or abrasives.

Operate or store in a place where temperature is between -15°C (5°F) and 55°C (131°F) (up to 90% relative humidity).

Charging speed may vary depending adapter used and temperature conditions.

WARRANTY

Your new POWERdock is covered by a Limited Manufacturer's Warranty.

Warranty Details: for a period of one (1) year from the date of retail purchase, Galvanox warrants that this product is free of any defects in manufacturing, materials and workmanship. During the warranty period, we shall, at our sole discretion, repair or replace any defective parts within a reasonable period of time and free of charge. Return shipping charges are excluded from warranty coverage.
